

**ALISHA TING, RA**  
LEED AP

*Principal-in-Charge*

Alisha Ting is the Principal-in-Charge and one of two founding partners of Ting + Li Architects. With over 30 years as a registered architect in New York State, she is highly experienced in planning and project management, specializing in design, budget, and scheduling.

Appointed to the New York City Code Revision Technical Committee in 2012, Alisha is a leader in the office and in the design community for building, zoning, and ADA compliance. Alisha is also a LEED accredited professional certified by USGBC.

Alisha's prior professional experience includes working as Project Architect at Perkins + Will and Lockwood Greene, currently CH2M.
