

Stephen Ting, RA
LEED AP

Partner

Stephen Ting is a founding partner of Ting + Li Architects and the supervising principal of design and production within the office. With over 35 years as a registered architect in New York State & New Jersey, he has comprehensive experience in designing and managing complex projects through construction completion. Stephen is a LEED accredited professional certified by USGBC. His expertise and leadership as lead technical architect provides great confidence in the quality of the Ting + Li brand.

Mr. Ting began his career at Skidmore, Owings & Merrill (SOM). While at SOM, Stephen was Senior Designer on several domestic and international projects. Subsequently, Mr. Ting joined as an Associate with Beckhard, Richlan & Associates.
